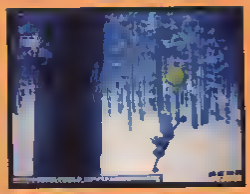
CAN YOU SURVIVE THE ALIEN INVASION?

MYLSTAR

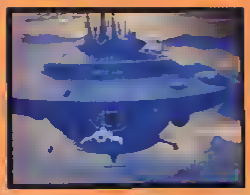
1984 Mylstar Electronics, Inc. All Rights Reserved
A Columbia Pictures Industries Company

The anxious crew at Base Headquarters

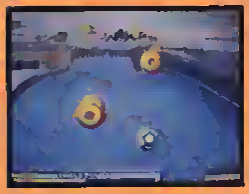
Terror over the towers of Chicago



Dodging through the forests ...don't hit the trees!

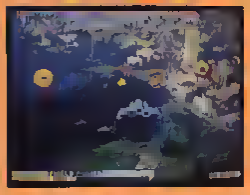


Entering the Mothership... is there hope for us yet?



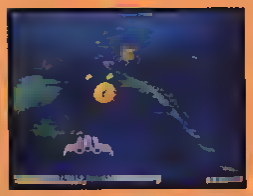
A daring dogfight over coastal harbors

America's heartland is under attack!



The action escalates over San Francisco streets

An everyday picnic turns to panic!



The chase continues through the mountains

Mylstar presents *US vs THEM*, a wild sci-fi adventure, available as a conversion for M.A.C.H. 3.

Take the controls and fly your jet through wave after wave of attacking Alien Ships ... firing ... dodging ... scoring!

Over the skyscrapers of America's cities, above her forests, farms and mountains — even into the depths of the Alien Mothership — the battle rages to its explosive conclusion!

Players thrill to the fast action, realism and challenge of *US vs THEM*. Live actors, special effects, full orchestral score and many outrageous surprises make this the video game event of the year!

Call your Mylstar distributor today for details.
